# What do I need to do to get Disabled Students' Allowance (DSA)?

Here is a summary of the steps involved in applying for and receiving DSA.

## 1. Apply for DSA

Fill out all sections in this form and send it back with all the evidence we've asked for. The sooner we receive your form and evidence - the quicker we'll be able to tell you if you could get DSA.

Make sure you sign and date the terms and conditions.

## 2. Find out exactly what equipment and support you need

If you're able to get DSA, you may need to have a study needs assessment. This will make sure you get the right support to help you complete your course. If you need to have an assessment, we'll send you a letter to tell you how to do this. The needs assessor will want to see a copy of your disability evidence before the assessment.

If you have a study needs assessment, we'll get a report recommending what support and equipment you'll need. It will also let us know how much it will cost and who can provide it. You'll receive a copy of this report. We'll look at the recommendations and make our final decision.

## 3. Get your equipment and support

We'll send you a DSA entitlement letter to tell you what equipment and other support you'll get DSA for. The letter will also tell you how to get your support. Don't buy equipment or arrange support before you get this letter. We won't be able to refund these costs back to you.
