New Student Application for Student Finance

We welcome applications in Welsh. If you would prefer to apply in Welsh, a Welsh version of this form is available. Applying in Welsh will not delay your application. You can also apply online at: www.studentfinancewales.co.uk

Your forename(s)

Your surname

If you have applied for student finance before,
please provide your Customer Reference Number

You should complete this form if you are starting one of the following courses:

- a full-time or sandwich course of higher education;
- a full-time Initial Teacher Education (ITE) course;
- a diploma or degree course in a health-related discipline and you are eligible to apply for an **income assessed** bursary from the National Health Service (NHS), Department of Health (DoH) or the Student Awards Agency Scotland (SAAS), excluding the social work bursary.

We have provided guidance notes to help you so please refer to these each time you see this icon. 

You will have to send evidence with your application whenever you see this icon. 
Details about the evidence can be found in the guidance notes.

Before completing this form, you should read the Privacy Notice on page 26 of the accompanying notes.

You may be eligible for a bursary or scholarship. In order for a university or college to determine and pay any bursary or scholarship to which you may be entitled, we will share some of your personal, financial and course details as well as information about your eligibility for student finance with them. For more information about this, read our Privacy Notice. Please contact the university or college if you require further information about their bursaries and scholarships.

Deadline

To make sure you receive your first payment at the start of term, you **must** return this form and all of the evidence we need by **26 May 2023**. We will do our best to process your application as soon as possible, however if the deadline date has passed your first payment may not be ready for the start of term.

If your application form is returned more than 9 months from the start of your academic year it won't be processed, and you may lose your full entitlement to student finance for this academic year.

You can apply in 5 easy steps

(Depending on your circumstances you may not need to complete all the steps)

Step 1

For all students

- Complete sections 2–6;
- Remember if you are applying for a loan you need to tell us how much you want by completing the loan request section on page 27;
- You **do not** need to complete section 6 if you are only applying for a Tuition Fee Loan and/or a Fee Grant.

 If you only want to apply for a Tuition Fee Loan, Fee Grant or a Maintenance Loan that is not based on household income you can go directly to Step 5. If you started a full-time distance learning course on or before 1 August 2018 (for reasons not relating to disability) you are unable to apply for a Maintenance Loan or a Welsh Government Learning Grant. 

Step 2

For students who want to apply for student finance based on household income

- Complete sections 7 and 8;
- If you want to apply for Special Support complete section 9.

Step 3

For students who have dependants

- Complete section 10;
- You should complete this section if you have any children or adult dependants and want to apply for financial help in relation to them.

 If you are a single independent student go directly to **Step 5**.

Step 4

For students who want to apply for student finance based on household income

- Complete section 11;
- Depending on your answers in section 11 you may need to ask your **parent(s) or partner** to provide details about their income in section 12 so we can work out what your full entitlement to student finance will be.

Step 5

For all students

- Make sure you have read and signed the Terms and Conditions on pages 35 and 36
- If you asked someone to complete section 12, make sure that they have signed **their declarations on page 45**.

Where you see this icon it means there's additional information in the Supporting Notes which will help you complete your supporting application.

This could be information about how to complete a question or section or an instruction to send specific supporting documents.

Read the notes – if you don't answer a question or section correctly or you don't include the documents we need this will delay the students application.

What details do I need to provide?

You need to provide:

- your personal details, such as your name and address;
- your National Insurance (NI) number (if you have one);
- details of any income from the UK or overseas for tax year 2021-22 that HM Revenue and Customs (HMRC) doesn't know about;
- details of any pension payments you made for the tax year 2021-22; and
- details of any other dependants.

Why do I need to tell you my income from the 2021-22 tax year?

We use figures from this tax year because it is the most up-to-date information that HMRC holds for you. You must tell us your 2021-22 income details as we cannot accept amounts from any other tax year. This ensures the student(s) you're supporting receives everything they're entitled to.

What happens if my household income has dropped since tax year 2021-22?

If your household income is expected to or has dropped by at least 15% since tax year 2021-22, you can apply for a current year income assessment. This means we'd assess the student for funding based on your estimated income for tax year 2023-24.

You must still complete this form but can provide a more up to date income figure later to ensure the student gets paid the right amount. Read page 27 of the supporting notes for information on how to apply for a current year income assessment.

Give permission for someone to contact us on your behalf

If you'd like to give permission for a nominated person to talk to us about your account, you can use this form to set up Consent to Share (CTS) for them.

A nominated person could be:

- an individual person such as your parent, foster parent, sibling or partner; or
- a university/college advisor or a third party advisor. A third party advisor could be a social worker, personal advisor or charity advisor (from organisations such as WeBelong, Become or StandAlone).

What your nominated person needs to know

When they call us, they'll need to pass our security authentication using the details you provide on this form. They'll be able to discuss and ask for:

- any information about your account, except for your bank details
- the status of your application and any evidence that we need
- correspondence you've been sent or request forms for you

What do I need to do?

Section A - Complete this if you want to give permission to an individual person.

Section B - Complete this if you want to give permission to a university/college advisor or a third party advisor.

You can set up CTS for both an individual person and an advisor using the same access code.

If any of the details on this form are left out, we can't set up CTS.

Once you complete this form, please return it with your application form.

Is there a way to allow a third party to make updates to my account?

You can give Power of Attorney (PoA) to a third party. A PoA is an official document where you can appoint an attorney allowing them to release or update information relating to your account. A PoA must contain the specific period for which the third party can act as an attorney, and the specific tasks they can perform. You can still complete the sections of the form below and send us a copy of the PoA document. As above, the person holding PoA must pass our security authentication.

I've changed my mind and no longer wish to give permission. What should I do?

You can remove your permission at any time. To do this, call us on **0300 200 4050** or write to us at:

Student Loans Company Limited
100 Bothwell Street
Glasgow
G2 7JD

Once you tell us that you want to remove your permission, your nominated person won't be able to access your account information.
